

ACCESS PLUG FLANGE, INC.

"The Worldwide Leader In Inspection Port Technology."

01 January 2019

To: Refineries and Petrochemical Companies
Located in the Middle East & Asia

Reference: **Zerco International, LLC** – Industrial Distributor

To Whom it May Concern:

Access Plug Flange, Inc. (APF) is an original manufacturer headquartered in Houston, Texas USA. We manufacture inspection port assembly products and sell them to many customers on a worldwide basis. Most of our sales are through distributors and contractors. We do our best to support our distributor and contractor customers on a continuing basis for the long term.

Zerco International, LLC has proven itself as a qualified and reliable partner who works responsibly and efficiently during all stages of the contract. Zerco International, LLC ethically and responsibly maintains interests of all parties involved to ensure efficient and timely logistics, along with making sure the terms of contracts are met. We value and support the efforts of Zerco International, LLC in representing our product in the Middle East & Asian market.

We hereby verify that Zerco International, LLC is a distributor and representative of APF plugs (and other related products) in the territory of the Middle East and Asia.
